Morning Arrival Reminder

With the temperatures dropping, it is a good time for a reminder about morning arrival. Students should not arrive at school before 7:50 unless they are eating breakfast. At 7:50 staff will let students into the building if the windchill is below 20 degrees.

East Parking Lot Reminder

Reminder: The East Parking Lot is for parents that park and walk up to the building to drop off or pick up their students. **Please do not use this lot as a loop to pull in and drop off or pick up students.** It is dangerous for families walking in the lot when cars treat the lot as a loop.

A Message from Dr. Gomez

We are nearing the end Of 2021! The students and staff at Fairview have had a wonderful semester building community and learning together.

The art projects, decorations, activities, books, and of course the learning the teachers have shared with students this month have brought students so much joy. I have loved experiencing all of the joy and laughter with students.

I am so thankful for this magical month with our students and wish you all Happy Holidays!

Arrival and Dismissal Reminder

Please remember that for safety all students must **enter and exit vehicles in the loop on the passenger side of the car.** Students should NEVER use the driver side of the vehicle due to passing traffic. Also, **please pull all the way forward** in the loop in order to keep traffic moving.

Staff Favorites

The PTA collected a list of each staff member's favorite things. The link below will show you the results of the survey.

Are your students missing items? Coats, hats, sweatshirts, etc. We have laid out all of the lost and found clothing. Please see the picture below and encourage your child to pick up any missing items. Unclaimed items will be donated over winter break.
