A Message from Ms. Gomez

On February 10th we will have Valentine's Day parties at 2:15. Students are welcome to bring Valentine cards to pass out to classmates. Out of an abundance of caution, visitors for the Valentine's Parties will be limited to two room parents per classroom. This action is being taken in order to support the health and safety of all students and staff. A PTA representative will reach out to room parents.

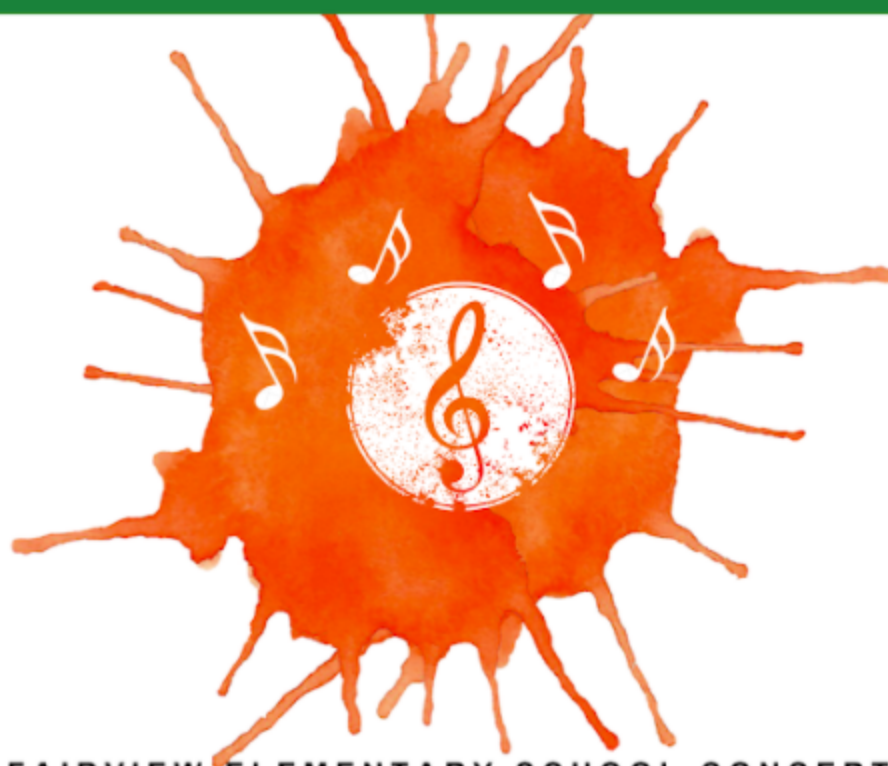

Book Fair Family Shopping

The book fair will be open in the evening for family shopping on February 9th from 3-7pm.
